1.

Certification

1.1. Do your modules have any certificates?

Yes, most ESP modules are FCC/ CE/ KCC/ IC/ TELEC/ SRRRC/NCC certified. You could download the certificates at [here](#).

1.2. Do your chips have any certificates?

Yes, all chips are Wi-Fi certified. You could download the certificates at [here](#).

2.

Cooperation

2.1. How can I start distribution business with Espressif?

You can send your company's audit report of last year, the latest financial statements and company introduction to dm@espressif.com.

2.2. Do you have distributor in Europe, U.S. or Canada?

We have distributors around the world. If you want to cooperate with our distributors, please go to [Sales Questions](#) and send your request to us along with your company information.

3.

Product

3.1. I am interested in ESP32 and where can I find more information about the product?

Thanks for your interest in our product. You can have a brief understanding of our products at [here](#). If you look for more technical information about the product, you could go to [documents](#).

3.2. Do you products have longevity commitment?

Yes, Espressif provides a minimum longevity commitment of 12 years for a set of products listed at [Longevity Commitment](#).

3.3. Where can I find the exact part number and SPQ or MOQ of each part?

You could refer to [Ordering Information](#) to check for the exact part number, SPQ and MOQ.

3.4. What is the lead time for your products?

Generally, lead time is 4 weeks. Within two working days of receiving payment, provided there is sufficient stock. Please inform us the specific quantity in advance.

3.5. What is the purchasing method?

You can purchase directly from us. If you just want some samples currently, visit our shop on [Taobao](#) (This online shop is for Chinese customers only. If you are an overseas customer, please go to [Sales Questions](#))
